Subject: Materials for Climate Change and Fisheries Meeting-August 10, 2012

Dear Glenn, Jeff, Jim, Kate, and Phil (if you are available),

Thank you for agreeing to participate in the climate change and fisheries meeting that I am organizing with Joe Ebersole for Friday August 10, 2012 in Anchorage from 9am to 12pm. Please find attached a brief agenda for the meeting and the conceptual diagram that will be at the heart of our discussions on the 10<sup>th</sup>. If you have time to review the conceptual diagram before the meeting, I would greatly appreciate it.

If you have any questions, please feel free to contact me. I will be out of the office from July 31 to August 5, but will check my email sporadically.

I look forward to talking about climate change and sockeye salmon with you on Friday August 10, 2012.

Thank you,

Rebecca
